THANK YOU ONE AND ALL!

Each and every one of you deserves a big THANK YOU!

Without you the BWGA 2011 Rally for the Cure would not have been as great a success. Our business community, neighbors and friends all opened up their hearts and their purses to donate goods, services and money for our cause and you took a chance on our raffle and bid on our great gifts. The program lists our neighbors and local businesses that gave so generously to our cause, be sure to thank them next time you see them!

I hope everyone had a great time at the 9th Annual BWGA Rally and will join us again next year. The weather cooperated and we were even able to take carts off the path. The course looked great with all the special touches . . . pink flags & poles and the big pink ribbons.

Maurice, Bob, Mason, Tom and Belmont's entire golf staff joined in the preparations for this event, which helped in making everything run smoothly, from start to finish. You are the best!

A thank you to our golf pro's Lisa & Dave, and to Neal for donating their Sunday afternoon. The Ballroom looked fabulous decked in pink from top to bottom, the wonderful decorating committee came in early on Sunday morning and blew up balloons, arranged flowers and somehow still had energy to go play golf.

Chef Rob, John and his staff out did themselves with the dinner, It was really, really, really delicious and we had an extra special tribute to the Rally with cupcakes from Shugar Shugar.

This event, though it is fun and a great way to come together with our friends, enjoy a round of golf, and have a wonderful dinner, is really about raising money and raising awareness for breast cancer. It is also a time to celebrate those who fought the battle and won and to remember those who we have lost to this terrible disease.

A big shout out to all my "Rally Angels" who worked behind the scenes taking donations, selling raffle tickets, organizing sponsorships for Rally Holes & volunteering at the registration desk! Each of your efforts were greatly appreciated! I do need to name a few who went far above and beyond: Darlene Nagao, Ann Finan and Pat Agnew - thank you so much for your extra time and effort... AND my right hand person MaryAnn Gilligan!

Together, each of you in your own way made it possible for us to raise over...

$21,000 for the Susan G. Komen Rally for the Cure!

Thank You!
